

Raising Brightness

We are looking for part-time study method facilitators in the following areas: Bloemfontein and PE.

The Facilitator shall provide the following Services per group of maximum 12 children:

- You will facilitate two 3 (three) hour sessions of course work for the group of learners enrolled for the course.
- the group size of each facilitated course will vary depending on the number of learners enrolled (maximum 12)
- You will facilitate one 2 (two) hour session with the parents/guardians of the Learners enrolled in the course following the session with the Learners.

Training and continued support will be provided, and you will ensure that all facilitated courses include the content which you were provided training for.
